

## Energy Auditors

Local Certified RESNET, Building Performance Institute (BPI) Energy Auditors and Idaho Licensed Professional Engineers (for commercial buildings)

---

**COMMERCIAL BUILDINGS:** To be eligible for Save-A-Watt an energy audit must be conducted.

Buildings greater than 8,000 sq. ft. of conditioned space:

An Idaho licensed professional engineer, who has experience conducting commercial building audits.

Buildings less than 8,000 sq. ft. of conditioned space:

A BPI or RESNET certified auditor with review and approval (stamped by the engineer) by an Idaho licensed professional engineer who has experience conducting commercial building audits.

Licensed professional engineers willing to review and approve audits by BPI or RESNET certified auditors are listed below:

Leif Elgethun, PE, LEED AP
