RE: Extension of Design Review Approval  
Albertsons 0130  
911 Main Street North  
Hailey, Idaho 83333  
CSHQA Proj. No. 08043

Dear Beth:

We would like to request an extension of the October 20, 2008, Hailey Planning and Zoning Commission approval of a Design Review alteration to the above referenced Albertsons store exterior. We understand this will be a six month extension after which time the approval will expire.

Please submit this request to the Planning and Zoning Commission for approval on their consent agenda on Monday, October 19, 2009.

We appreciate your assistance and are available for any questions, clarifications, and/or comments you may have.

Sincerely,

CSHQA

Paul Lawrence
