

Woodside Boulevard Improvements Project

PUBLIC OPEN HOUSES

The City of Hailey invites you to attend an informational open house about possible improvements to Woodside Boulevard.

- **Wednesday, Jan. 26** (anytime between 5:30-8 p.m.)

Community Campus, 1050 Fox Acres Road, Hailey
*[Information will focus on improvements between Fox Acres Road
and Countryside Boulevard]*

- **Thursday, Jan. 27** (anytime between 5:30-8 p.m.)

Woodside Elementary School, 1111 Woodside Elementary Lane, Hailey
[Information will focus on improvements between Countryside Boulevard and SH-75]

No formal presentations are scheduled. Project team members will be available to discuss potential impacts to properties adjacent to Woodside at each meeting. Improvements to Woodside Boulevard are expected to be done within existing City right-of-way.

Construction will require extensive excavation that may mean removal of landscaping and/or structures (for example: grass, trees, shrubs, fences, driveways) if located within City right-of-way. If a driveway is impacted by the project, the driveway and its "approach" will be reconstructed so that a car can safely drive and park in the driveway. Prior to construction, right-of-way lines will be visibly staked.

*If you have questions about public right-of-way and your property, please contact Bryant Kuechle at 208-739-3048 or bk@langdongroupinc.com
People requiring special accommodations at an open house are asked to call in advance.*

Traductora y Facilitadora: 720-6715 (Si el teléfono no se contesta de inmediato, por favor deje un mensaje y se le regresa su llamada)

Questions? Comments? contact Darla Christiansen, darla@langdongroupinc.com / 800.252.8929 | tom.hellen@haileycityhall.org / 788-9830 x14 | www.haileycityhall.org
