--

- \$75.00 Review Fee (\$50 for each additional inspection)**
- Attach required manufacture/system specification sheet(s)**

City Review Process: The city building inspector will: 1) Review the required information on this form and provides in the attachment(s); 2) Contact you with further questions or requirements depending on the weight of the system and the structure that it is being attached to; 3) Approve the proposal; 4) Visit the site, following installation of the system, to ensure the structural integrity of the building has not been compromised; 5) Approve the system or require identified structural problems to be remedied; 6) Follow-up with additional inspections, if deemed necessary by the Building Official (each additional inspection shall be \$50 per inspection).

State Permits: Electrical and Plumbing Permits from the State of Idaho are typically required. Please check with the Idaho Department of Building Safety.

**I hereby acknowledge that I have filled in this application accurately to the best of my knowledge and that I agree to comply with all City Ordinances and State laws regulating building construction to the City of Hailey, Idaho.**
