

Grass Replacement Rebates

Irrigation Upgrade Rebates

Replace your grass and get a 50% rebate up to \$2,000. Either an EPA WaterSense labeled irrigation controller or eligible soil moisture sensor kit rebated at 50% when purchased and installed as part of a grass replacement project.

Either purchase and install an EPA WaterSense labeled irrigation controller or an eligible soil moisture sensor kit (as a standalone project; no grass replacement necessary), and get a 25% rebate up to \$125.

Open on April 1 to Hailey property owners; funds are limited.
