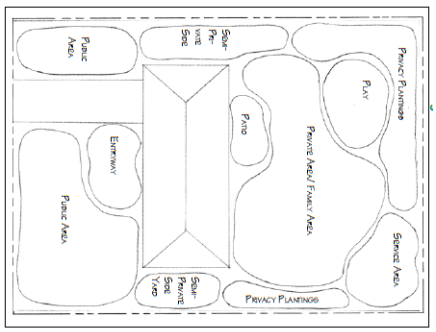
The City of Hailey, Ketchum, Sun Valley, Bellevue, Sawtooth Botanical Garden and Wood River Land Trust announce:

Resilient Landscapes for Resilient Communities Series

Explore landscape design, xeriscape principles and using nativars in creating beautiful outdoor settings and home gardens. All sessions are Water-Wise and qualify for the Hailey Water Smarty rebate program. Join us this winter for the first three of six in the series.



Thursday, Jan 18:

Design an attractive landscape

that embraces xeriscape ideas for all types of plants and garden styles. Let **Sharon Browder** (Xeriscape designer) walk you through a step-by-step planning and design process for a small or large, new or old landscape. You will have conceptual design homework! **Cost: FREE**

Time: 6:30-8:00 p.m.

Hailey City Hall

Thursday, Jan 25:

Bring your conceptual landscape design to the professionals!

Rob King and **Staci Page** (Clemens Associates), **Dean Hernandez** (Gardenspace Design), **Mark Spencer** (Native Landscapes) and **Sharon Browder** will help develop and fine tune your Spring Landscape plans. **Cost: FREE**

Time: 6:30-8:00 p.m.

Hailey City Hall

Thursday, Feb 15:

Nativars – The New Native Plants

This exciting day-long workshop for landscape professionals and dedicated gardeners will cover how to design with newly available native plants called “nativars” and use appropriate maintenance techniques with **Dr. Steve Love** (U of I scientist), **Steven Paulsen** (Native Roots, LLC.) and others.

Cost: $35 SBG members/$40 nonmembers.

Register by calling Sawtooth Botanical Garden at 208.726.9358.

Time: 10:00 am-3:00 am

Sawtooth Botanical Garden
